

Further Information

Waranwarin Early Learning Centre

Early Learning Centre is an Aboriginal long day centre that will cater for the needs of children from 6 weeks old to 6 years old. We offer an educational program supporting the development of your child in a culturally appropriate environment. Transport available in some areas.

Medical

Child and Family Health Clinic advice and information in all areas of being a parent for children 0-5yrs old. Includes **blue book** and developmental health checks.

Paediatric Clinic services families that access the early learning centre or can be referred through our Child and family Health Clinic.

Early childhood Nutrition Clinics for children 0-5yrs old delivered by a expert nutritionist specialising in children's health supporting food nutrition for children for a healthy lifestyle. Please contact for a referral information, referral pathways, no waiting list.

Perinatal and Infant mental health Service an Early Intervention Service for families who may need advice with attachment and understanding other developmental stages within young children.

Aboriginal Early Links Program

Early Links provides help to families who may need support with children who have a disability with or without a diagnosis including engaging with professionals for assessments and support.

Family Support Program

Family programs focusing on offering programs and activities that meet the needs of parents and children promoting positive parenting. Referral advice provided to support families if required.

Cultural Programs

Cultural Programs include **Koori's Dance Together** where families can come along and learn traditional dance. **Women's Arts and Crafts** where women can come along and participate cultural activities with each other. **Men's Guitar Lessons the Koori Way** for men to come along and learn and support each other.

Please contact Waranwarin, Tharawal Child and Family Centre for more information.
