- Dentures – conditions apply

EMERGENCIES

If you are experiencing a dental emergency, you may present to the Dental Clinic without an appointment. On arrival, you will be triaged by the clinic team. We strongly encourage any emergencies to present at 9am to assist with triage and treatment planning.

Please note: We cannot guarantee the time walk-in presentations will be seen, and there may be waiting times. Every effort is made to see them as soon as possible.

If you are experiencing a dental emergency outside of our operating hours, please contact your nearest hospital or urgent care facility.
